

Spring 2017 EVENTS

March, April and May

Jack n Jill Jumpstarts... *Events Focusing on* **Creativity and Exploration**

Event: Hats off to Dr. Seuss **Date:** March 2nd

Location: All JNJ Locations

March 2nd is Dr. Seuss' Birthday! What better way to celebrate than to wear your favorite creative hat? Children are invited to bring in a crazy hat that they can wear all day! Dr. Seuss' classic stories will be shared within each classroom.

Event: Bug Hunt **Date:** March 30th

Location: All JNJ Locations

Children will become explorers when they go out on a bug hunt! Where will these bugs be? Where do they live? We can't wait to find out! The children will learn about the exciting tiny world around them. Upon finding the bugs, they will learn a THRILLING FACT and share it with you. Get ready to go on a JNJ BUG HUNT!

Event: Earth Day **Date:** April 22nd

Location: All JNJ Locations

Exploration of nature is what Earth Day is about. Each classroom will gather materials from the outside environment to make a JNJ Earth Day Mural. The children will work together by making a collective piece of art. Once finished, the classrooms will hang up their art creation in their classroom for you to see!

Event: Week of the Young Child **Date:** April 24th-28th

Location: All JNJ Locations

We believe that every day is about enriching the lives of children; yet, a whole week of special events is fun too! Check in with the center's director to learn more about the exciting offerings that are planned for this special week!

Event: Staff Appreciation **Date:** May 8th-12th

Location: All JNJ Locations

Every teacher loves to hear what their children and families have to say. Feel free to express your gratitude on our appreciation wall in the foyer. E.g. "Miss Amy, you make me laugh during art time!"
