

Spring 2018 EVENTS

Jack 'n' Jill Jumpstarts... Events Focusing on Community and Engagement

MARCH, APRIL & MAY

Celebrating 75 Years of Quality Care With *The Sunshine Celebration*

What is *The Sunshine Celebration*? *The Sunshine Celebration* is a yearlong celebration observing significant moments involving our schools, children, families and surrounding communities. 2018 marks Jack 'n' Jill's 75th anniversary. Hoping to expand the festivities beyond JNJ itself, each center will be dedicating one day each month to honor such moments through interactive and engaging activities. Since its inception in 1943, Jack 'n' Jill has played a significant role within both the Greater Boston Community serving as one of the only childcare services for ship building women and parents during World War II. *The Sunshine Celebration* is an ode to the company's commitment to community.

March Celebration: International Day of Happiness

Date: March 20th

All Locations: In honor of the International Day of Happiness, Jack 'n' Jill will be holding a daylong celebration of the things that make us smile. All classrooms will be participating in different activities and events that truly make our students happy and excited to come to school.

April Celebration: Earth Day

Date: April 23rd

All Locations: Jack 'n' Jill will be celebrating Earth Day by educating our students / families of the environmental movement worldwide. Each classroom will be participating in honoring the planet through our day of appreciation and celebration.

May Celebration: Family Month

Date: May 7th - 13th

All Locations: In the spirit of Mother's / Father's Day, Jack 'n' Jill will be honoring the parents, guardians and role models in our children's life. Varying programs will explore student's family structures and celebrate the similarities and differences between them.
